HONDA

PCX 125 ie 4T LC
euro 5 2021->

Malossi is pleased to announce the new RX Black exhaust systems for maxi scooters!

It's a new line of exhausts, suitable for a wide range of engines (up to 400 cc).

A genuine concentrate of technology, but with a very reduced weight: an **RX Black** exhaust weights approximately 3.5 kg only!

This weight reduction may even reach 3 kg depending on its application. Internal components and DB killer were completely re-designed in order to achieve the best performance, while keeping noise levels within

legal limits; vibrations are reduced with three silent-blocks, and assembly is extremely simple.

A further Malossi masterpiece!!!

Technical details

- Aluminum alloy silencer with black anodized finish, manifold and bracket in stainless steel alloy
- End cap made of carbon fibre
- Weight reduction to about 3.5 kg

- Easy assembly thanks to a shaped plate and three fasteners on the silencer
- Internal parts and DB killer entirely re-designed
- Reduced vibrations and shocks from the swingarm thanks to three silent-blocks
